

# 2021 Resources for Big Data and Statistics

By

**Marcus P. Zillman, M.S., A.M.H.A.**  
**Executive Director - Virtual Private Library**  
<http://www.VirtualPrivateLibrary.org>

The April 2021 Zillman Column features **2021 Resources for Big Data and Statistics** and is a comprehensive listing of big data and statistics resources, sites and tools on the Internet and available in the new “zoom” education age. These competent big data and statistics resources and tools will be your search engine for your research. The below list of sources is taken from his Subject Tracer™ Information Blog titled Statistics Resources and Big Data 2021 and is constantly updated with Subject Tracer™ bots at the following URL:

<http://www.StatisticsResources.info/>

These resources and sources will help you to discover the many pathways available to you through the Internet to find the latest big data and statistics resources, sources and sites.
