By

Marcus P. Zillman, M.S., A.M.H.A.
Executive Director - Virtual Private Library

<http://www.VirtualPrivateLibrary.org>

The February 2022 Zillman Column features **2022 Link Guide to Information Quality** and is a comprehensive listing of information quality resources, sites and tools on the Internet and available for the new “zoom” education/business age. These competent information quality resources and tools will be your search engine for your information quality resources research. The below list of sources is taken partially from my Subject Tracer™ Information Blog titled Information Quality Resources 2022 and is constantly updated with Subject Tracer™ bots at the following URL:

<http://www.InformationQualityResources.info/>

These resources and sources will help you to discover the many pathways available to you through the Internet to find the latest information quality resources, sources and sites.
