

Astronomy Resources 2017

By

Marcus P. Zillman, M.S., A.M.H.A.
Executive Director – Virtual Private Library
zillman@virtualprivatelibrary.com

The November 2016 Zillman Column features **Astronomy Resources 2017**. This is a comprehensive listing of astronomy resources including astronomy, astrophysics, bioastronomy, radio astronomy, roboscopes available on the Internet. The below list of sources is taken from my Subject Tracer™ Information Blog titled Astronomy Resources and is constantly updated with Subject Tracer™ bots at the following URLs:

<http://www.AstronomyResources.info/>

These resources and sources will help you to discover the many pathways available through the Internet to find the latest astronomy resources and sites. As this site is constantly updated it would be to your benefit to bookmark and return to the above URL frequently to download the latest freely available astronomy resources and sources.
