The December 2015 Zillman Column features **2016 Directory of Directories**. The 2016 Directory of Directories is a comprehensive listing of directory, subject guide and index resources and sites on the Internet. The below list of sources is taken from my Subject Tracer™ Information Blog titled **Directory Resources** and is constantly updated with Subject Tracer™ bots at the following URLs:

<http://www.DirectoryResources.info/>

These resources and sources will help you to discover the many pathways available through the Internet to find the latest directory resources and sites. As this site is constantly updated it would be to your benefit to bookmark and return to the above URL frequently.
