The June 2007 Zillman Column titled **Finding Experts By Using the Internet** is dedicated to giving you the internet sources to discover that needed expert(s) that you have been looking for. The Internet is a vast global resource of knowledge created by experts and the ability to find and contact these experts is extremely important for both academic activities as well as business and special interest needs. The below list of sources is taken from my Subject Tracer™ Information Blog titled Internet Experts and is constantly updated with Subject Tracer™ bots from the following URL:

<http://www.InternetExperts.info/>

These resources and sources will help you to discover the many pathways available to you through the Internet for obtaining and locating expert sources and resources.
