The September 2013 Column features **Finding Experts By Using the Internet – Resources and Sites** and is a comprehensive listing of resources, sources and sites currently available from the Internet for locating experts. The below list of sources is taken from my Subject Tracer™ Information Blog titled Internet Experts and is constantly updated with Subject Tracer™ bots at the following URL:

<http://www.InternetExperts.info/>

These resources and sources will help you to discover the many pathways available to you through the Internet to find the latest resources, sources and sites to discover experts. There you can leverage the way professionals find online information to obtain experts and use the results in your active daily research.
