

Quality Information Determination 2018 Resources and Tools

By
Marcus P. Zillman, M.S., A.M.H.A.
Executive Director – Virtual Private Library
zillman@virtualprivatelibrary.com

The January 2018 Zillman Column features **Quality Information Determination 2018: Resources and Tools**. This is a comprehensive listing of information quality determination resources including search engines, directories, subject guides and index resources and sites available on the Internet. The below list of sources is taken from my Subject Tracer™ Information Blog titled **Information Quality Resources 2018** and is constantly updated with Subject Tracer™ bots at the following URLs:

<http://www.InformationQualityResources.com/>
<http://www.FactCheckers.us/>

These resources and sources will help you to discover the many pathways available through the Internet to find the latest quality information determination resources and sites. As this site is constantly updated it would be to your benefit to bookmark and return to the above URL frequently to download the latest freely available prediction resources .
