Executive Director – Virtual Private Library  
[zillman@virtualprivatelibrary.com](mailto:zillman@virtualprivatelibrary.com)

This June 2008 column **Script and Code Resources** is a comprehensive list of script and code sources and sites available over the Internet including associated and related online sources. The below list is taken from my current Subject Tracer™ Information Blog titled Script Resources and is constantly updated with Subject Tracer™ bots at the following URL:

<http://www.ScriptResources.info/>

These resources and sources will help you to discover the many pathways available to you through the Internet for obtaining and locating the resources and sources to help you become part of one of the fastest growing areas on the Internet – script and code to create the latest and greatest Web 2.0++ site or blog!
