The September 2015 Zillman Column **Internet Financial Sources for the Solo Investor** features the latest Internet and World Wide Web financial resources and sources for the solo investor. The column features sources for searching and discovering new financial knowledge and understanding the latest financial happenings with regards to the New Economy and the Internet of Things (IOT). Understanding the basics as well as advanced searching and discovery techniques allows one to stay on top of their financial area of interest and to keep up with the rapidly changing world of transparency, big data and the ability to access data from new and now accessible databases. These resources are constantly updated by my Subject Tracer™ Information Bots and the latest financial resources and sources for the new economy are available from the following URL:

<http://www.FinancialSources.info/>

Understanding the required search analytics, resources and alerts will give you the necessary tools to maintain your solo investment mission and strategy. These resources and sources will guide you through the many pathways available on the Internet to find the latest financial sources and sites.

## **Subject Tracer™ Information Blogs**

Subject Tracer™ Information Blogs created and developed by the Virtual Private Library™ combine the best of the latest tools on the Internet. Using bots, blogs and news aggregators the Subject Tracer™ Information blogs generate RSS feeds with the latest resources to create a current information resource flow through niched subject tracers. I am proud to be the creator of the Internet's first Subject Tracer™ Information Blogs:
