The September 2016 Zillman Column features **Statistics Resources and Big Data 2016**. This is a comprehensive listing of statistics and big data resources including directories, subject guides and index resources and sites available on the Internet. The below list of sources is taken from my Subject Tracer™ Information Blog titled Statistics Resources and Big Data and is constantly updated with Subject Tracer™ bots at the following URLs:

<http://www.StatisticsResources.info/>

These resources and sources will help you to discover the many pathways available through the Internet to find the latest statistics and big data resources and sites. As this site is constantly updated it would be to your benefit to bookmark and return to the above URL frequently to download the latest freely available statistics and big data resources .

## **Subject Tracer™ Information Blogs**

Subject Tracer™ Information Blogs created and developed by the Virtual Private Library™ combine the best of the latest tools on the Internet. Using bots, blogs and news aggregators the Subject Tracer™ Information blogs generate RSS feeds with the latest resources to create a current information resource flow through niched subject tracers. I am proud to be the creator of the Internet's first Subject Tracer™ Information Blogs:
