The October 2017 Zillman Column features **Statistics Resources and Big Data 2018**. This is a comprehensive listing of statistics and big data resources including directories, subject guides and index resources and sites available on the Internet. The below list of sources is taken from my Subject Tracer™ Information Blog titled Statistics Resources and Big Data and is constantly updated with Subject Tracer™ bots at the following URLs:

<http://www.StatisticsResources.info/>

These resources and sources will help you to discover the many pathways available through the Internet to find the latest statistics and big data resources and sites. As this site is constantly updated it would be to your benefit to bookmark and return to the above URL frequently to download the latest freely available statistics and big data resources .
