[zillman@virtualprivatelibrary.com](mailto:zillman@virtualprivatelibrary.com)

This August 2011 column covers **Student Research Resources**. Student Research Resources on the Internet is a comprehensive listing of research resources and sources on the Internet for the student. The below list of sources is taken from my Subject Tracer™ Information Blog titled Student Research and is constantly updated with Subject Tracer™ bots at the following URL:

<http://www.StudentResearch.info/>

These resources and sources will help you to discover the many pathways available through the Internet to find the latest research resources and sites for the student. As this site is constantly updated it would be to your benefit to bookmark and return to the above URL frequently.

## **Subject Tracer™ Information Blogs**

Subject Tracer™ Information Blogs created and developed by the Virtual Private Library™ combine the best of the latest tools on the Internet. Using bots, blogs and news aggregators the Subject Tracer™ Information blogs generate RSS feeds with the latest resources to create a current information resource flow through niched subject tracers. I am proud to be the creator of the Internet's first Subject Tracer™ Information Blogs:
