This September 2009 column **Educational Resources for Twitter, SMS, and Text Messaging** is a comprehensive list of resources and sites that give you the latest and most important information concerning twitter, sms and text messaging available over the Internet including related and associated resources and sites. The below list is taken from the white paper that I authored for 140Characters.me education information portal and is constantly updated at the following URL:

<http://www.140Characters.me/>

These resources will keep you current to the latest happenings and events as well as the latest applications as they become available to better utilize all the vast data that is currently available. The goal of 140Characters.me is to become the leading educational portal for text messaging, sms and Twitter on the global Internet.
